Notifications: I understand and agree that it is my responsibility to monitor my electric use and make sure I maintain a positive credit balance and that failure to do so will result in disconnection of my Electric Service. In order for me to receive the necessary system alerts to avoid disconnection of service, I agree to provide the REMC with current phone numbers and/or email address and utilize the SmartHub monitoring tools. REMC will provide low balance and disconnect notifications through SmartHub, but does not guarantee that all notifications or messaging will reach me prior to disconnection. I understand and agree that I will register in SmartHub to have Prepaid notifications sent to me by text message, push notification or email. The REMC will send notification through SmartHub of low balance every day that my Prepaid account balance has an estimated 5 days of Electric Service left. **Initial** _____

No Medical or Health Exceptions: I understand and agree that the medical and health conditions of any person located at the address where electric service is furnished and/or inclement weather conditions or temperatures will not postpone disconnection of electric service. **Initial** _____

I understand and agree that I will not receive any advance notice of disconnection from the Utility other than the "5-day low balance" notification described above, and I hereby waive all rights to any other advance notice of disconnection. I understand and agree that my Prepaid Electric Service account will not be reconnected until my balance is brought up to a credit of \$25.00. I understand and agree that any returned checks or other fees will be debited or charged against my account immediately. I understand and agree that if this causes the credit balance to be exhausted, my electric service will be disconnected. I understand and agree that once a check has been returned on my Prepaid account, Jasper County REMC will no longer accept checks for payment on my account. **Initial** _____

Reconnection after final billing: I understand and agree that if my account is disconnected for more than 7 days, my Prepay account will be closed and a final bill will be issued. I understand and agree that if I request reconnection after the final bill has been issued, I must pay the REMC's standard Reconnect Charge, the Prepaid minimum balance, and the full outstanding balance on my account before power is restored, and I hereby waive all rights to continue any payment arrangement that was previously offered by the REMC. **Initial** _____

I have read, understand, and accept the terms and conditions of Prepaid Electric Service set forth in this Agreement. I also agree to abide by Jasper County REMC's bylaws, policies, and rules and regulations as may be approved or amended from time to time by the Board of Directors. By signing below, I am waiving all claims or action against Jasper County REMC arising out of or relating to any interruption in service or disconnection due to a balance that falls below \$0.00. I hereby waive any right to receive advance notice of disconnection that would apply under a traditional payment account. I agree that the REMC will not be held responsible for any direct or indirect damage to property or injury to persons (including death) arising out of or relating to any failure to make a timely payment to maintain a credit balance on my account or any action taken by the REMC to disconnect my service after my account balance falls below \$0.00. This agreement is intended to completely release the REMC from any damages related to service interruptions and disconnections of Prepaid Electric Service. **Initial** _____
